The Detroit Water and Sewerage Department (DWSD) hereby authorizes the Industrial User specified above to discharge industrial wastewater to the City of Detroit sewer system. This authorization is granted in accordance with the City's Wastewater Discharge Ordinance or equivalent local ordinance and any applicable provisions of federal or state laws or regulations.

The requirements and conditions established in this permit do not relieve the company of its obligation to comply with any applicable pretreatment regulations, standards, requirements, or laws that may become effective during the term of this permit.

In addition, this permit is granted in accordance with the application filed with DWSD, and in conformity with plans, specifications, and other substantive data submitted to the Department in support of the above application.

To continue discharging industrial wastewater after the expiration date, it is the responsibility of the Industrial User to submit an application for permit reissuance at least ninety (90) days before the expiration of the existing permit. The permit reapplication form may be requested from this Department.
